Re: Establishing communication protocols to enhance intergovernmental relationships

At its October 26th meeting, the Halton District School Board considered [Report 22131 - Notification Protocol](#) and passed the following resolution:

M22-0152

Be it resolved that in order to foster collaboration among elected officials serving the Halton community that the Board of Trustees consider creating an ad hoc committee to develop a notification protocol that can be applied consistently for events and opportunities of shared interest, with a report back to the Board by April 2023.

Be it further resolved that, through the Chair, a copy of this motion be forwarded for information, comment and consideration, to the Chair of the Halton Catholic District School Board, Chairs of the French and French Catholic School Boards within Halton, the Mayors of all Halton Municipalities and the Regional Chair, Members of Provincial Parliament and Members of Parliament for Halton ridings.

Be it further resolved that, through the Chair, a copy of the completed notification protocol be forwarded to the Chair of the Halton Catholic District School Board, Chairs of the French and French Catholic School Boards within Halton, the Mayors of all Halton Municipalities and the Regional Chair, Members of Provincial Parliament and Members of Parliament for Halton ridings.

As the new term of office begins, the HDSB looks forward to working collaboratively with you and hope we may count on your support in fulfilling the spirit and intention of this resolution for the benefit of students, staff and the community at large.

Sincerely,
