

Technology in HDSB PIC Conference 2016

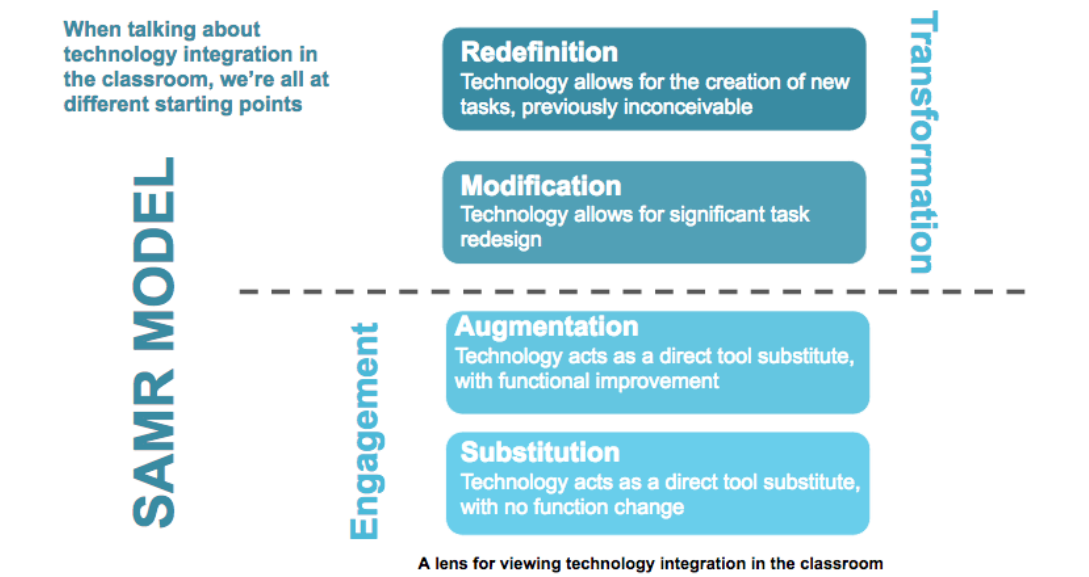

Key Highlights and links to remember:

HDSB has gone Google! Yeah!

Here's a quick video that showcases the use of cloud based technology

[Going Google Video](http://goo.gl/Bj2m9H) (goo.gl/Bj2m9H)

In Halton, we utilize Technology not just to do traditional learning differently, we use Technology to ENHANCE the Learning taking place. Here is a model for how technology is can be leveraged to change the learning of students today.

True Collaboration vs. individual parts of a group

Exploring the collaborative nature of technology in HDSB - looking at how we can quickly and efficiently deprivatize thinking and learn from/ with and on behalf of others.

Hall and Oates showcase the power of collaboration

You can't break Google - open it up - explore - play - and most importantly, have fun discovering what is possible.

Don't forget, there's always help for those questions!
