

2017 PIC Conference Workshop Summary: TVO Homework Help
Presenter: Christine Luchies

TVO is proud to offer Homework Help to Ontario students and educators. Based on the Ontario Curriculum and supported by the Ministry of Education, Homework Help is a wonderful resource that helps students build their math skills and confidence. We offer a safe online learning environment with 1 on 1 help with Certified Ontario Teachers.

Homework Help is a ***free*** online math support for grade 7 – 10 students. Help is available from Sunday – Thursday 5:30pm-9:30pm and resources that can be utilized in the classroom are accessible 24/7.

Parents will have an opportunity to explore this valuable website during the workshop and learn the steps involved for registration.
