

ONLINE STUDENT WORKSHOPS

Students will learn about anti-sex trafficking and online safety, as a tool for education and prevention.

ANTI-SEX TRAFFICKING EDUCATION

Students will learn about sex trafficking and the broader context in which it takes place, where young people are recruited from, and red flags to look out for.

WATCH VIDEO

ONLINE SAFETY: BEING A RESPONSIBLE DIGITAL CITIZEN

Students will learn about online safety, including how to keep devices safe, identity theft, online predators, social media, gaming, content creation, being respectful online, and mental health
