Be it resolved that the Halton District School Board direct staff to undertake a school boundary review for the new SW Milton #9 ps with an expected completion date of no later than February 2014.

Discussion

The 2013/2014 Long Term Accommodation Plan (LTAP) provided enrolment projections for 2014 to 2023 for each Elementary and Secondary Review Area (ERA and SRA) in the Board as well as for each elementary and secondary school within the system.. The LTAP provides the opportunity to identify school boundary review initiatives that are to be undertaken as a result of ongoing capital initiatives.

In the 2013/2014 LTAP, a boundary issues table was provided to the Board which identified the need to undertake boundary reviews and proposed start and completion date. The forthcoming 2014/15 school year will require the undertaking of two school boundary reviews, which are expected to start in October 2014 and be completed by February 2015.

NE Oakville #1 Elementary School Boundary Review

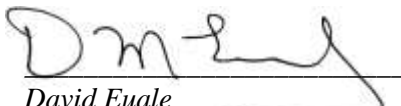

The purpose is to undertake a boundary review and recommend elementary school program and boundary for the new NE Oakville #1 ps (refer to appendices) which is targeted to open September 2015.

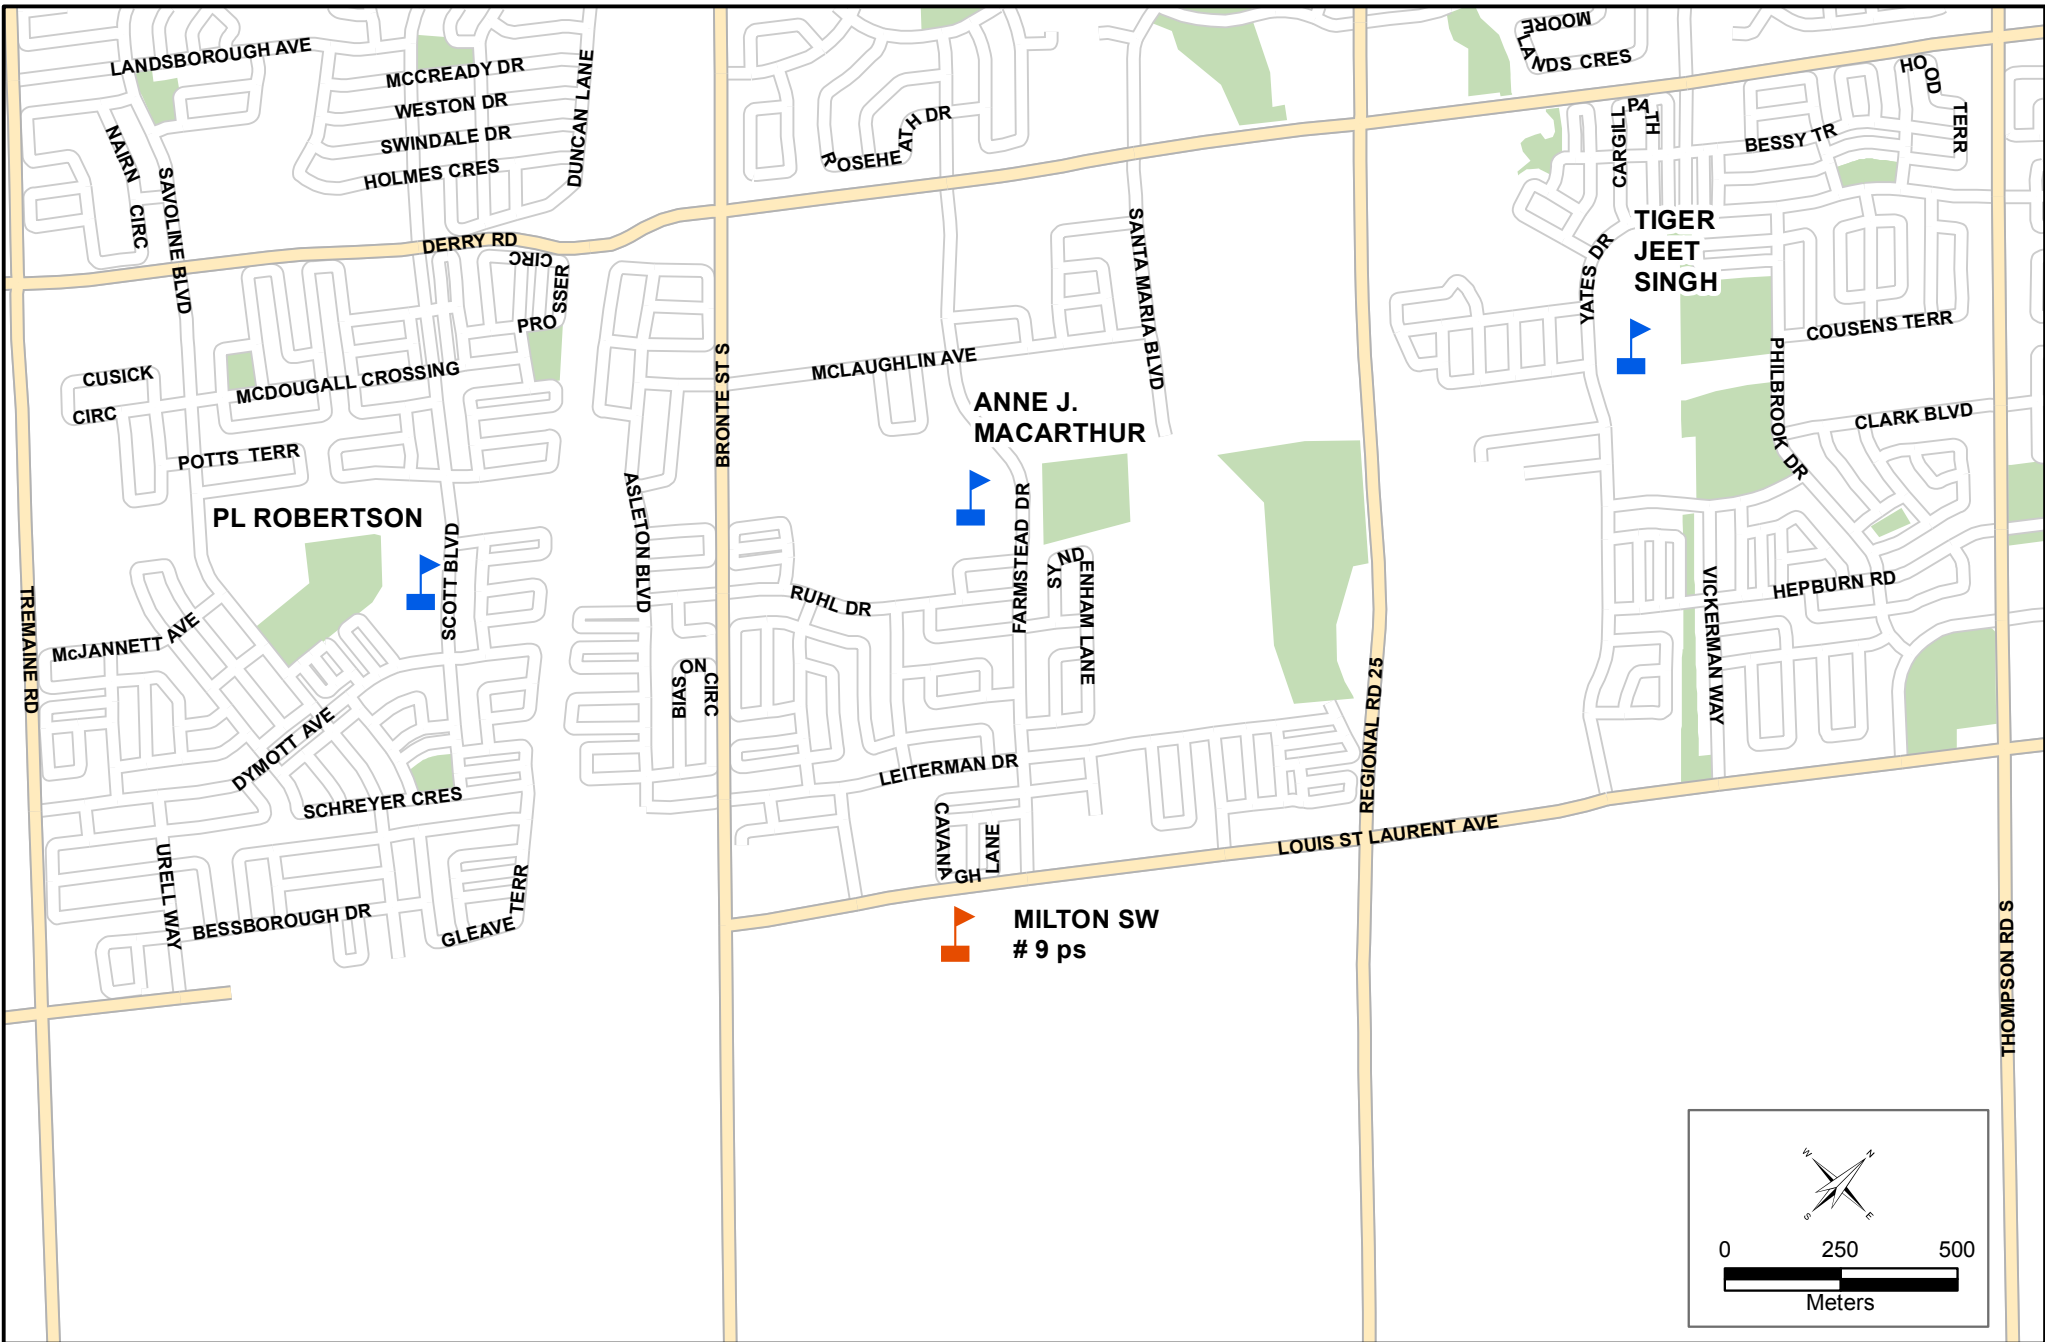

Milton #9 Elementary School Boundary Review

The purpose is to undertake a boundary review and recommend elementary school program and boundary for the new Milton #9 ps (refer to appendices) which is scheduled to open September 2015.

The undertaking of a boundary review as a result of the new Martin Street PS rebuild, will be deferred until the timing and completion of the project will be known.

Respectfully submitted,
