- PLEASE REFER TO THIS TABLE FOR ALL NEW REGISTRATIONS OF STUDENTS ENTERING THE SYSTEM AFTER JUNE 30, 2025.**
- All phase in of grades and phase-out of legacy exempted students are completed. Note that the majority of legacy exemptions are phased out by the 2031/2032 school year, except for Zone 12 which is slowly transitioned into Anne J. MacArthur over an 8 year period ending in 2034/2035.
- As a general note, unless otherwise noted, all new move ins and/or programs within the affected schools are not granted legacy exemptions, and will be directed to their new home school on the year of implementation of the impacted zone. As an example, if you move into Zone 9 in September of 2024, you will continue to remain in the Rattlesnake Point PS boundary, but will be redirected to Anne J. MacArthur in 2025. Legacy exemptions will only be granted if you attended the impacted school prior to June 30, 2025 (safe and except for Zones MILT13, 17, 19, 20, 21, 22, 23 which will be implemented as soon as January 7, 2025).
