Notice of Approval - South Milton & Milton SE #13 PS Boundary Review

Dear parents/guardians,

We are writing to inform you that Option 6a was approved by the Trustees of the Halton District School Board at the Jan. 7, 2025 Board meeting, as part of the [South Milton & Milton SE #13 PS Boundary Review](#).

If your child is affected by these changes and is scheduled to move schools next school year (2025-2026), your child's current home school will contact you in the coming weeks to advise you that they will arrange for the transfer of your child(ren) to their newly assigned school for September 2025, as well as provide transition resources and support to help your family adjust smoothly.

Please note that there may be changes taking effect as early as today for **new** families registering and starting school after the effective date (see below for more information).

How does this impact my family?

You can access detailed information about the approved boundary changes and view updated catchment maps associated with Option 6a in [Board Report 24158](#) and on our [dedicated boundary review webpage](#).
